**FOR IMMEDIATE RELEASE**

**The Oregon Clinic Welcomes New Physician to  
Portland Gastroenterology Division**

**Portland, Ore., March 15, 2010** – The Oregon Clinic's Portland Gastroenterology division welcomes Dr. Hong Shen. Dr. Shen is board certified in Internal Medicine and Gastroenterology by the American Board of Internal Medicine. His special interest lies in colon cancer screening and treating patients with viral hepatitis. Most recently, he served as acting director of the Division of Gastroenterology/Hepatology at Wishard Memorial hospital in Indianapolis, Indiana and Assistant Professor of Clinical Medicine, Indiana University School of Medicine, in Indianapolis, Indiana.

Dr. Shen received his medical degree from the University of Western Australia, School of Medicine and Dentistry in Perth Australia in 1997. He completed his Internal medicine residency and Gastroenterology fellowship training at Indiana University Medical Center in Indianapolis, Indiana.

Originally from Shanghai, China, Dr. Shen has lived in the Midwest for the past 12 years before recently moving to the West Coast. He is the author of numerous research articles and frequently presents research findings at medical conferences and assemblies. Dr. Shen has been involved in clinical trials for the treatment of Hepatitis B and endoscopic therapy for Gastroesophageal reflux disease.

Dr. Shen now lives in Portland with his wife and enjoys hiking and travelling.

"I believe communication is the key to a successful patient-physician relationship. It is my goal to be a careful listener of my patients, understand their concerns and provide them with excellent care in a compassionate and honest manner," Dr. Shen said.

**About The Oregon Clinic:**

The Oregon Clinic is one of the largest private specialty physician practices in Oregon with more than 120 physicians. An evidence-based, multidisciplinary organization, The Oregon Clinic provides the highest quality care using a team approach to address medical conditions in the areas of cardiology, gastroenterology, neurology, pulmonology, urology, podiatry, otolaryngology, radiation and surgical oncology, cardiothoracic

surgery, general and minimally invasive gastrointestinal surgery, and diagnostic imaging. The Oregon Clinic is committed to provide the highest quality care, practice data-driven medicine, provide leadership for the healthcare community, and offer respectful, compassionate service. It was founded in 1994 with the merger of several clinical groups in Portland, offering specialty care from Vancouver to Salem, and from Hood River to Astoria. Visit The Oregon Clinic Website at [www.oregonclinic.com](http://www.oregonclinic.com) or call (503) 935-8000 for more information.
